### Basis for Calculating Amounts Charged to Patients

Ochsner Rehabilitation Hospital uses the “look-back” method to determine the “amounts generally billed” (AGB) to individuals who have insurance covering other Medically Necessary Care. The AGB percentage applicable as of 1/1/2024 at our facility is 31%.

The amount was determined using all claims allowed by Medicare (Traditional) having discharge dates from January 2023 through December 2023. Total expected payment from allowed claims was divided by total expected billed charges for such claims.

AGB was calculated using the Medicare fee-for service approach for the Ochsner Rehabilitation Hospital.
